## **APPLICATION FORM**

The form must be emailed to the email address listed above by October 5th. Successful applicants will be called for an interview on the 9th of October, with replies being sent as soon as possible, with details included in a reply.

If you need to send a physical copy of the form, email ELF and we can provide an address.

It is expected that this will be a competitive call for applicants, so please, if you are not successful this time, keep trying, keep doing what you're doing. Many great filmmakers didn't succeed at their first try. ELF is fallible.

There are two bursary places available for those who need financial support. Please indicate if you hope to avail of this support, and please recognise that these supports are for participants who otherwise could not join the organisation. Membership fees go back into the production of short films.

The fee per year will be €100.

### **General guidance about interviews**

Interviews will be informal, with a panel of young filmmakers asking questions about, well, film. We're a young organisation, so we're still working out how all this works.

Applicants will be informed of the outcome of their interview the following day.
